Petroleum

Our operations support over 730 jobs in the state and add \$133M to Iowa's GDP\*

Through our subsidiary, the Chicago, Central & Pacific Railroad, CN's rails stretch the breadth of Iowa, from the Missouri River in the west to the Mississippi in the east. We carry a wide variety of manufactured and industrial products like food, machinery, electrical equipment, chemical products and primary metals. In addition to serving local businesses, CN's ethanol franchise is centered in the Hawkeye State with several plants along the route between Dubuque and Sioux City and Council Bluffs. The largest rail yard and facility on CN's Iowa network is in Waterloo.

In March 2025, CN and the Iowa Northern Railway (IANR) officially joined operations. With the closing of this transaction, CN and IANR integrated their two railroads to better serve customers, the Iowa economy and communities along the network. IANR serves upper Midwest agricultural and industrial markets with 175 route miles and about 100 employees to deliver many goods, including grain, biofuels and fertilizers. This transaction supports the growth of local business by creating single line service to North American destinations, while preserving access to existing carrier options.

\*Based on 2024 data

## Network Investments

Over the past decade, CN has invested about US\$295 million to build and maintain a safe and efficient network in Iowa and to support our supply chain partners. The program focused on the replacement of rail and ties, plus maintenance of bridges, crossings, culverts, signal systems, and other track infrastructure.

## Community Investments

In 2025, CN contributed to several Iowa-based organizations, including:

**THE WARMING SHELTER INC.** CN helped advance The Warming Shelter's Trauma-Informed Safety and Shelter Program, which provides safe, low-barrier shelter and compassionate support to help individuals experiencing homelessness rebuild stability and hope.

**WATERLOO BALL CLUB** CN partnered with the Waterloo Ball Club to support its 2025 Rail Safety Night, promoting rail safety awareness in the community through outreach and engagement during the event.

**ACKLEY FIRE DEPARTMENT** CN donated self-contained breathing apparatuses (SCBAs) to the Ackley Fire Department, helping enhance firefighter safety and strengthen emergency response for residents of Ackley and surrounding communities.
