Western Tennessee is CN's gateway to the south. CN's yard in Memphis is a major freight handling point and the hub of CN's U.S. operations south of Chicago. It is one of only two hump yards in the U.S. (CN has four hump yards on its entire network) and serves as an interchange point with four other Class I railroads. The Memphis Yard is also the location of a major CN railcar and locomotive repair shop.

Memphis is home to an important CN intermodal terminal. CN also serves President's Island, an industrial core in Memphis. The birthplace of rock 'n' roll boasts distribution facilities for forest products, metals and automobiles as well as a CN CargoFlo® bulk handling center and a logistics park. Amtrak's City of New Orleans service operates on CN tracks and stops in Memphis. More than 500 CN railroaders live and work in Memphis.

CN Welcomed Canadian Consul General Rosaline Kwan to tour operations at our Harrison Yard in Memphis, TN.

Network Investments

Over the past decade, CN has invested more than US\$395 million to build and maintain a safe and efficient network in Tennessee and to support our supply chain partners. The program included upgrading the locomotive fueling facility at Harrison Yard, as well as replacing rail and ties, and maintaining bridges, crossings, culverts, signal systems and other track infrastructure.

Community Investments

In 2025, CN contributed to several Tennessee-based organizations, including:

YOUTH VILLAGES FOUNDATION CN contributed to Youth Villages through the Soup Sunday event, helping fund the LifeSet program for youth aging out of foster care and the Chris Crye Mentoring Program, which supports young people in developing their skills, talents, and potential.

DUCKS UNLIMITED Support from CN helped advance Ducks Unlimited's Wetlands Conservation Reception, helping advance efforts to conserve, restore, and manage wetlands that benefit waterfowl, wildlife, and surrounding communities.

MEMPHIS IN MAY INTERNATIONAL FESTIVAL CN partnered in support of the Memphis in May International Festival, which celebrates Memphis culture, promotes economic growth, and enhances international awareness through educational and cultural programming.

NATIONAL CIVIL RIGHTS MUSEUM CN supported the National Civil Rights Museum during Black History Month, helping advance its mission to preserve the history and lessons of the American Civil Rights Movement and promote dialogue on equality and justice.
